DCUK

Eggceptionally charming characters

Hello and thank you for picking up our 2026 catalogue. This who's who of the DCUK universe is packed with handcrafted characters, all eager to meet your customers and find their forever home.

With over 12,500 five-star reviews, we're proud that Feefo, a leading customer review platform, rates DCUK as exceptional. What makes us even happier is that people tell us every day that our characters make them smile. We haven't counted the smiles officially, but they always seem to multiply the moment a duck appears in the room... a bit like the ducks themselves. One needs a friend, two make a family, and before you know it, you're a collector, and there's a puffin nesting in your bathroom.

In these pages, find old and new favourites for your customers, from DCUK's original Spotty Welly Boot Ducks to the iconic shapes and handcrafted beauty of our Natural Ducks and Ducklets. We're also delighted to welcome some new faces, including fairy-like Baby Blue Penguins, Inquisitive Owls and Jolly Frogs – hoppy additions to our joyfully eclectic flock.

Following the popularity of our dashing Duckula, we're continuing the gothic theme with new Halloween heartthrob Batduck. For customers looking for a more... wholesome kind of love, our wedding collection has the big day covered, right down to Dinky Duck cake toppers. For birthdays, Mother's Day, or just-because days, your customers can say it with their favourite Flower Ducks. And for love that lasts a lifetime, consider stocking our timeless Emperor Penguin parent-and-baby set.

This year's Christmas collection celebrates the little traditions that warm our hearts and hearths. Tasty treats come courtesy of the Gilded Caramel and Candy Cane Ducks. The Christmas Bakers help out in the kitchen, while the new Christmas Jumper Ducklings keep things cosy, counting the sleeps until Santa Duck's arrival.

Finally, we've added some helpful brand inspiration and FAQ sections at the back of the catalogue. They're full of tips on everything from creating an irresistible display, to giving a character a new name.

Happy dabbling!

Team DCUK

The DCUK Pin

A mark of exceptional quality and irrepressible personality

Every day, all over the world, our ducks make people smile. In letters and emails, on social media and by phone, people tell us that a carved creation with wide eyes and welly boots has found its way into their hearts.

But how can customers be sure that a Duck or Feathered Friend is the genuine article and avoid later disappointment? The DCUK Pin is a badge of honour and our promise that every gift is:

Handmade:
We carve and paint every character individually.

Sustainable:
Every Duck and Feathered Friend is made from bamboo root.

Named individually:
When you find the right name you just know.

Whenever someone sees the DCUK Pin, they can be confident it's a bird of distinction; raised to charm and delight.

Why DCUK?

Our characters are more popular than ever, creating a buzz of smiling positivity wherever people see the DCUK brand.

Artisan Individuality

Handcrafted and painted in Indonesia

With successful working relationships between DCUK and our Indonesian partners stretching back over 20 years, we're incredibly proud of our heritage. We're proud of how far we've come, without straying from the original idea of working together, in the right way, to create something special. We're proud to be helping Indonesia keep generations-old traditional handcrafting and painting skills alive. Most of all, we're incredibly proud that people continue to choose DCUK characters as memorable, thoughtful, and personal gifts – whether it's treating themselves or someone else.

Environmentally responsible

Every DCUK piece is carved by hand, using locally harvested bamboo offcuts that would otherwise go to waste.

Hand-carved

We work with skilled sculptors and artists in Indonesia where each character is individually carved by hand using harvested bamboo root.

Behind the scenes

Fancy a sneaky peek at how our characters are made? Point your phone camera here, or visit dcuk.link/indonesia

Hand-painted

A pair of spotty welly boots here, a tiara or peaked cap there, every defining detail is skilfully painted before making its journey back to the rolling hills of Devon.

Finishing touches

When we're satisfied that they have achieved that special breed of Duck Company charm, we choose a fitting name and award the DCUK pin, a mark of exceptional quality and charming personality.

DCUK Brand Benefits

Every day, all over the world, our characters make people smile.

In letters and emails, on social media, and by phone – people tell us that a hand carved bamboo root creation with wide eyes and oodles of personality has found its way into their hearts.

If you're a current stockist, then you'll already know that DCUK originals are a wonderful addition to any store display.

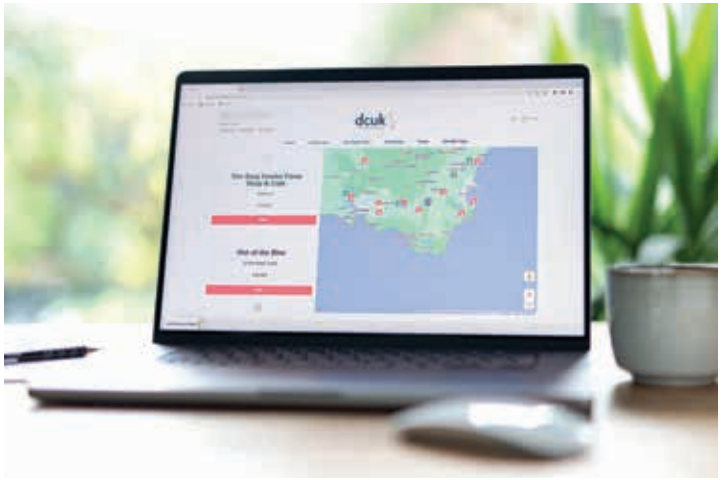

Popular, distinctive, and eye-catching – DCUK is a 'window display friendly' brand, often attracting people to come inside. Trade customers also tell us that our characters encourage shoppers to browse areas in-store, and they work well with other giftware brands.

As a brand, we regularly send engaging emails to a passionate fanbase of over 112,000 customers and collectors, which we know drives interest and sales for our trade partners.

These brand activities are often timed to work alongside latest retail trends, to help maximise the impact for anyone selling our current range.

We've also set up a stockist map online, which helps shoppers find friendly DCUK sellers that are local to them. This is completely **FREE** as a benefit of being a DCUK stockist – and really helps to maintain a strong connection to the wholesale side of our business.

A: *If you ever want advice on ranges, bestsellers or upcoming launches, our team is only a call or email away. We'd also be happy to talk through things and share samples on a video call too. Whether you are new to DCUK or have stocked us for years, we aim to make working with us simple, supportive and genuinely enjoyable.*

Email: mail@dcuk.com

Q: How do I order stock?

A: *You can contact the team directly, visit the trade website, or use our quick and easy visual online order form.*

You can find that at: ***dcuk.link/tradeorders***

Q: Do you offer FREE delivery for trade orders?

A: *Yes. All UK trade orders over £300 qualify for* ***FREE delivery****. Smaller orders can be sent, with £10 for delivery. Non-UK orders will be sent at cost.*

Q: How are DCUK characters made?

A: *Our DCUK characters begin life as pieces of bamboo root. Skilled Indonesian artisans carve the shape by hand, following the natural curves and grain of the wood. Many designs are then painted carefully by hand, with boots or other character features added during several stages of the creative process.*

The artists paint small details one by one, so variations appear in the brushwork, shading and expression.

Q: How can I explain DCUK to my customers?

A: *The easiest way is to describe each DCUK character as being individually hand-carved from real bamboo root and also often hand-painted. They are **NOT** mass-produced.*

Encouraging customers to pick up a character lets them feel the natural grain and see the artistic quality for themselves.

Q: How can I keep updated on DCUK promotions and support?

A: *We use our DCUK social media channels and email database to share stories, display inspiration, exclusive offers, and supportive ideas. We also love to showcase and promote our official stockists to a large and passionate fanbase of collectors.*
